Proposed offer for Stride Gaming plc

1. INTRODUCTION

We, the undersigned, understand that:

- 1.1 the Offeror, or any of its group undertakings, intends to make a firm offer to acquire the entire issued and to be issued ordinary share capital of the Target (the **Proposed Transaction**), which is expected to be implemented by way of a court-sanctioned scheme of arrangement (under Article 125 of the Companies (Jersey) Law, 1991 (as amended) (the **Companies Law of Jersey**)) (the **Scheme**), but which might ultimately be made by way of a takeover offer (which shall be a "takeover offer" for the purposes of Article 116(1) of the Companies Law of Jersey) (the **Offer**); and
- 1.2 the Proposed Transaction will be substantially on the terms and conditions to be set out in a firm offer announcement to be made under Rule 2.7 of the City Code on Takeovers and Mergers (the **Code**) substantially in the form of the attached draft press announcement (the **Press Announcement**), together with any additional terms and conditions as (a) may be required by (i) the Panel on Takeovers and Mergers, (ii) the Code, (iii) the AIM Rules for Companies published by London Stock Exchange plc from time to time, and/or (iv) any other applicable law or regulation and/or (b) as the Offeror and the Target may agree.

2. WARRANTIES AND UNDERTAKINGS

We irrevocably and unconditionally undertake, agree, represent and warrant to and with the Offeror and the Target that:

- 2.1 we have the power and authority to enter into this undertaking and perform our obligations under it;

- 2.2 we are the legal and beneficial owner of (or, as beneficial owner, are otherwise able to control or direct the exercise of all rights, including voting rights, attaching to) the ordinary shares of the Target specified in Schedule 1 (the Shares, which expression will be deemed to include any shares in the capital of the Target):
- 2.2.1 attributable to or derived from the Shares or into which the Shares may be converted, subdivided or consolidated as a result of any reorganisation of the share capital of the Target; and/or
- 2.2.2 in which we acquire an interest,
- in each case after the date of this undertaking);
- 2.3 we are able to procure the transfer of the Shares free from all liens, security interests, equities, charges, encumbrances, options, rights of pre-emption, and any other third party rights and interests of any nature and together with all rights attaching to the Shares, including the right to all dividends and distributions (if any) declared, made or paid after the date of this deed;
- 2.4 unless and until the obligations under this undertaking lapse in accordance with the terms of this undertaking, or otherwise with the prior consent in writing of the Offeror, we will not (and, if applicable, we will procure that the registered holder of the Shares will not):
- 2.4.1 sell, transfer, charge, encumber, pledge or grant any option over or otherwise dispose of any of the Shares or any interest in any of the Shares except to the Offeror under the terms of the Proposed Transaction;
- 2.4.2 accept or give any undertaking in respect of any other offer or similar transaction to the Proposed Transaction in respect of any of the Shares (and whether the consideration offered under any such other offer or similar transaction is higher or not than that offered under the Proposed Transaction), including by way of contractual offer, scheme of arrangement or otherwise, and including without limitation (i) anything which might frustrate the Proposed Transaction or which could otherwise prevent or restrict us from transferring the Shares to the Offeror pursuant to the Proposed Transaction and/or (ii) voting or giving any undertaking to vote any of the Shares in favour of any other offer or similar transaction to the Proposed Transaction including without limitation in favour of any resolution which purports to approve or give effect to a proposal by a person other than the Offeror to acquire (or have issued to it) any shares and/or other securities or any interest in any shares and/or other securities in the Target (whether by way of scheme or arrangement or otherwise) or any assets of the Target;
- 2.4.3 acquire shares or interests in any securities of the Target or exercise any rights (including options) to acquire shares in or interests in any securities of the Target without prior written confirmation from the City Panel on Takeovers and Mergers (Panel) to the Offeror that the Panel does not consider us to be acting in concert with the Panel;
- 2.4.4 enter into any agreement or arrangement with any person, whether conditionally or unconditionally, or solicit or encourage any person, to do any of the acts referred to in this paragraph 2.4 which would or might reasonably be expected to restrict or impede our acceptance of, or otherwise frustrate, the Proposed Transaction; and

- 2.5 unless and until the obligations under this undertaking lapse in accordance with the terms of this undertaking or save where required under paragraph 3.2 of this undertaking, we will not, pursuant to Article 89 of the Companies Law of Jersey or the articles of association of the Target, without the prior written consent of the Offeror, exercise our rights as a shareholder to convene or requisition, or join in convening or requisitioning, any general or class meeting of the Target.

3. SCHEME

Subject to your announcing the Proposed Transaction in accordance with Rule 2.7 of the Code by 7.00 a.m. on 31 May 2019 (or such later date as the Offeror and the Target may agree), we irrevocably and unconditionally undertake to the Offeror and the Target that, if the Proposed Transaction is to be implemented by way of a Scheme:

- 3.1 we shall exercise, or to cause the registered holder to exercise, all voting rights attaching to the Shares at:

3.1.1 any meeting of the Target's shareholders convened by order of the Court (including any adjournment thereof) (the **Court Meeting**); and

3.1.2 any general meeting of the Target (including any adjournment thereof) (**GM**);

in favour of any resolutions required to give effect to the Scheme including in favour of the resolutions to be set out in the notices of meeting in the circular to be sent to shareholders of the Target containing an explanatory statement in respect of the Scheme (the **Scheme Document**) and (unless directed by the Offeror to the contrary) against any resolution which proposes (i) to adjourn the Court Meeting or any GM, (ii) to amend the Scheme or (iii) which, if passed, might reasonably be expected to result in any condition of the Scheme not being fulfilled or which might reasonably be expected to impede or frustrate or delay or otherwise be prejudicial to implementation of the Proposed Transaction in any way or prevent the Proposed Transaction from becoming effective;

- 3.2 we shall exercise or, where applicable, procure the exercise of, all rights attaching to the Shares to requisition or join in the requisitioning of any general meeting of the Target for the purposes of voting on any resolution referred to under paragraph 3.1, or to require the Target to give notice of any such meeting, only in accordance with the Offeror's instructions; and

- 3.3 we shall, if required by the Offeror, execute, or procure the execution of, any form of proxy or other instrument of authority or representation required by the Offeror (or, if applicable, in respect of any Shares held in uncertificated form, take or procure the taking of such action as is required by the Offeror) in order to appoint any person named by the Offeror to attend and vote the Shares at the relevant meetings and we shall not amend, revoke or withdraw any such form of proxy, authority, representation or relevant instructions once delivered or given and we shall, without limitation to the foregoing, after the despatch of the Scheme Document to shareholders of the Target (and without prejudice to any right we have to attend and vote in person at the relevant meetings to implement the Proposed Transaction (including any adjournment thereof)):

3.3.1 in the case of those Shares referred to in Schedule 1, as soon as reasonably practicable and in any event within seven Business Days of the date of the Scheme Document; or

3.3.2 in the case of any other Shares, as soon as reasonably practicable and in any event within seven Business Days of the date on which we become able to control or direct the exercise of all rights, including voting rights, attaching to those Shares (or, if earlier, the last date for valid delivery of a form of proxy),

return, or procure the return of, if applicable, the signed forms of proxy enclosed with the Scheme Document (completed and signed appointing any person named by the Offeror to attend and vote at the relevant meetings and voting in favour of the resolutions to implement the Proposed Transaction) in accordance with the instructions printed on those forms of proxy (or, if applicable, in respect of any Shares held in uncertificated form, take or procure the taking of such action as is required to ensure that the Shares are validly voted in favour of the resolutions to implement the Proposed Transaction), and we shall not amend, revoke or withdraw any such form of proxy or instructions once delivered or given.

4. OFFER

4.1 In the event that the Proposed Transaction is implemented by way of an Offer we will, within ten Business Days after the posting of the formal document containing the Offer (the **Offer Document**), duly accept (or procure the acceptance of) the Offer in accordance with its terms in respect of such Shares, including, without limitation, completing and returning a form of acceptance in respect of the Shares (or, if applicable, in respect of any Shares held in uncertificated form, take or procure the taking of such action as is required to ensure that the Shares are validly tendered by way of acceptance of the Offer), and notwithstanding that the terms of the Offer Document may confer rights of withdrawal on accepting shareholders, we shall not withdraw or revoke any acceptance of the Offer in respect of the Shares or any of them and shall procure that no rights to withdraw or revoke any acceptance in respect of such Shares are exercised.

4.2 In the event that the Proposed Transaction is implemented by way of an Offer we shall exercise, or to cause the registered holder to exercise, all voting rights attaching to the Shares at any general meeting of the Target (including any adjournment thereof) (GM) in favour of any resolutions required to give effect to the Offer and (unless directed by the Offeror to the contrary) against any resolution which proposes (i) to adjourn the GM or (ii) which, if passed, might reasonably be expected to result in any condition of the Offer not being fulfilled or which might reasonably be expected to impede or frustrate or delay or otherwise be prejudicial to implementation of the Offer in any way or prevent the Proposed Transaction from becoming effective. Our obligations under paragraphs 3.2 and 3.3 with respect to the voting of the Shares will apply *mutatis mutandis*.

4.3 If so desired by the Offeror (acting reasonably and in good faith), we will enter into a replacement letter of undertaking giving effect to such obligations and/or provisions in a form specific to the requirements of an Offer and upon such letter of undertaking becoming effective this letter shall lapse and be of no further effect.

- 5.1.2 Rule 24.3 of the Code, particulars of this undertaking will be included in the Scheme Document and/or the Offer Document (as applicable); and
 - 5.1.3 Rule 26.1 of the Code, this undertaking will be published on a website following release of the Press Announcement.
- 5.2 We consent to:
- 5.2.1 the issue of the Press Announcement, the Scheme Document and/or the Offer Document (as applicable), in each case with the references to us and this undertaking (which, in the case of the Press Announcement will be substantially in the form and context in which they appear in the form of the draft Press Announcement attached to this undertaking as Schedule 2); and
 - 5.2.2 this undertaking being published on a website following receipt of the Press Announcement.
- 5.3 We will promptly give to the Offeror all such information in respect of ourselves as the Offeror may reasonably require for the preparation of the Scheme Document and/or the Offer Document and all related announcements and documents, in each case in order for the Offeror and the Target to comply with the requirements of any legal or regulatory requirements of application to the Proposed Transaction.

6. LAPSE OF UNDERTAKING

All obligations under this undertaking will lapse and cease to have any effect:

- 6.1 immediately if the Press Announcement is not released by 7.00 a.m. on 31 May 2019 (or any later time and date agreed between the Target and the Offeror);
- 6.2 immediately if the Offeror announces, with the consent of the Panel, that it does not intend to proceed with the Proposed Transaction;
- 6.3 if the Proposed Transaction is implemented by way of an Offer, immediately if the Offer Document is not published within the permitted period under the Code (or within such longer period as the Target and Offeror may agree, with the consent of the Panel);
- 6.4 (provided that we are not in material breach of obligation under this irrevocable undertaking) immediately if a competing offer for the entire issued and to be issued share capital of the Target is made and such competing offer is declared unconditional in all respects or otherwise becomes effective, in either case in compliance with the provisions of the Code;
- 6.5 on and from the earlier of:
 - 6.5.1 the Scheme not having become effective (or the Offer not having become unconditional in all respects) by 11.59 p.m. on the Long Stop Date (as defined in the Press Announcement) or such later time or date as the Offeror and Target (with the consent of the Panel) may agree; and

6.5.2 the time and date on which the Proposed Transaction is withdrawn, lapses or otherwise terminates in accordance with its terms,

provided that the lapsing of this undertaking will not affect any accrued rights or liabilities in respect of non-performance of any obligation under this undertaking falling due for performance before such lapse.

7. GENERAL

7.1 By way of security for our obligations under this undertaking we irrevocably appoint, severally, each of the Offeror and any director of the Offeror to be our attorney to, in our name and on our behalf, if we fail to comply with any of the undertakings in paragraphs 3 and 4, sign, execute and deliver any documents and do all such acts and things as may be necessary for or incidental to the performance of our obligations under this undertaking. We agree that this power of attorney is irrevocable in accordance with section 4 of the Powers of Attorney Act 1971 until this undertaking lapses in accordance with clause 6.

7.2 If any of the Shares are not registered in our name, we will procure that the registered holder(s) of those Shares act in accordance with the terms of this undertaking.

7.3 We acknowledge that:

7.3.1 the release of the Press Announcement is at the Offeror's absolute discretion and the Offeror reserves the right not to release the Press Announcement;

7.3.2 nothing in this undertaking obliges the Offeror to despatch the Scheme Document or the Offer Document (as applicable) if it is not required to do so under the Code; and

7.3.3 we shall have no claim against the Offeror or the Target in the event that the Proposed Transaction is withdrawn, lapses or otherwise terminates in accordance with its terms.

7.4 In the event that the Proposed Transaction is withdrawn, lapses or otherwise terminates in accordance with its terms, neither the Offeror nor the Target shall have any claim against us, other than in respect of any prior breach of the terms of this undertaking.

7.5 We acknowledge that, if we breach any of our obligations in this undertaking, damages alone would not be an adequate remedy and that an order for specific performance would be an essential element of any adequate remedy for that breach.

7.6 Any reference to a time, date or period in this undertaking is a reference to London time and may be extended by mutual agreement between the parties but, as regards any time, date or period originally fixed or so extended, time will be of the essence.

7.7 No variation of this undertaking shall be effective unless agreed in writing between each of the parties to it provided that the Offeror and we may in writing agree to amend our obligations without the prior written consent of the Target.

7.8 The Offeror may enforce or waive any of our obligations under this undertaking without the consent of the Target.

7.9 In this undertaking:

7.9.1 a reference to a "**Business Day**" means a day (other than a Saturday, Sunday or public holiday) on which banks are generally open in London for normal business;

7.9.2 a reference to an **interest** in shares or securities: (a) has the same meaning in this undertaking as it does for the purposes of section 820 and sections 822-825 of the Companies Act 2006; and (b) (to the extent not covered by (a)) anything that is treated as an interest under the definition in the Code of **interests in securities**; and

7.9.3 the expression the "**Proposed Transaction**" extends to any improved or revised offer announced by or on behalf of the Offeror during the offer period, whether voluntary or mandatory, irrespective of how the improved or revised offer is to be implemented and, for the avoidance of doubt, this undertaking will continue to be binding in respect of the Shares in respect of any improved or revised offer.

7.10 This undertaking and any non-contractual obligations arising out of or in connection with it will be governed by, and construed in accordance with, English law.

7.11 The English courts have exclusive jurisdiction to settle any dispute, claim or controversy arising out of or in connection with this undertaking (including a dispute, claim or controversy relating to any non-contractual obligations arising out of or in connection with this undertaking) and we irrevocably submit to the exclusive jurisdiction of the English courts for all purposes in relation to this undertaking.

RECOMMENDED CASH OFFER

for

STRIDE GAMING PLC (“STRIDE”)

by

THE RANK GROUP PLC (“RANK”)

to be effected by means of a court-sanctioned scheme of arrangement under Article 125 of the Companies (Jersey) Law 1991

Summary

- The Rank Directors and the Stride Directors are pleased to announce that they have reached agreement on the terms of a recommended cash offer pursuant to which Rank BidCo, a wholly-owned subsidiary of Rank, will acquire the entire issued and to be issued ordinary share capital of Stride (the “Offer”). It is intended that the Offer be effected by means of a court-sanctioned scheme of arrangement under Article 125 of the Companies Law.
- Under the terms of the Offer, Stride Shareholders will be entitled to receive:

151 pence in cash for each Stride Share

- The Offer values the entire fully diluted share capital of Stride at approximately £115.3 million and the Offer Price represents a premium of approximately:
 - (i) 29 per cent. to the Closing Price per Stride Share of 118 pence on 30 May 2019 (being the last Business Day prior to the date of this announcement);
 - (ii) 46 per cent. to the Closing Price per Stride Share of 104 pence on 8 February 2019 (being the last Business Day prior to the commencement of the Offer Period); and
 - (iii) 48 per cent. to the six month average price per Stride Share of 102 pence (being the average Closing Price for the six month period ended on 8 February 2019 being the last Business Day prior to the commencement of the Offer Period).
- If any dividend, other distribution or return of capital is proposed, declared, made, paid or becomes payable in respect of the Stride Shares on or after the date of this announcement and before the Effective Date, Rank BidCo reserves the right to reduce the Offer Price by the amount of all or part of any such dividend, other distribution or return of capital.
- The Stride Directors, who have been so advised by Investec as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing advice to the Stride Directors, Investec has taken into account the commercial assessments of the Stride Directors. Investec is

providing independent financial advice to the Stride Directors for the purposes of Rule 3.1 of the City Code.

- Accordingly, the Stride Directors intend unanimously to recommend that Stride Shareholders vote in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting as they have irrevocably undertaken to do in respect of their own beneficial holdings of 120,435 Stride Shares representing, in aggregate, approximately 0.2 per cent. of the ordinary share capital of Stride in issue on 30 May 2019 (being the latest practicable date prior to this announcement) and as have the trustees of two trusts, the beneficiaries of whom are Stride Directors and their family members, in respect of a total of 3,772,135 Stride Shares, representing approximately 5.0 per cent. of the ordinary share capital of Stride in issue on 30 May 2019 (being the latest practicable date prior to this announcement).
- Rank BidCo and Stride have also received irrevocable undertakings from certain other shareholders to vote in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting, in respect of a total of 42,222,095 Stride Shares, representing approximately 56 per cent. of the ordinary share capital of Stride in issue on 30 May 2019 (being the latest practicable date prior to this announcement).
- In aggregate, therefore, irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting have been received in respect of a total of 46,114,665 Stride Shares, representing approximately 61 per cent. of the ordinary share capital of Stride in issue on 30 May 2019 (being the latest practicable date prior to this announcement). Each of the irrevocable undertakings remains binding in the event of a higher, or any other, offer for Stride. Further details of these irrevocable undertakings are set out in Appendix III to this announcement.
- The acquisition of Stride will accelerate the transformation of Rank and create one of the UK's leading online gaming businesses. In particular, the combination will:
 - (i) **Create a business with genuine scale and capability in the digital market** – The combined business will have pro forma digital net gaming revenues of approximately £185 million, supported by a strong proprietary technology platform. Stride will provide Rank with an engine for digital growth, enabling Rank to move to a more agile, customer centric, digital culture. The combined business will be the number two player in UK online bingo with a market share of approximately 18 per cent. and the number six player in UK online gaming with a market share of approximately 4 per cent. It will also be well positioned for international growth, leveraging Rank's existing international presence.
 - (ii) **Create a leading multi-channel operator in the UK** – Stride is an established scale player operating in a highly regulated market with a portfolio of leading online bingo and casino brands that are highly complementary to Rank's leading multi-channel bingo and casino offerings. The combination is expected to enable Rank to provide the combined customer base with a seamless and instant journey across digital and retail gaming.
 - (iii) **Improve Rank's performance and reduce costs through migration to Stride's proprietary technology platform and in-house ecosystem** – By migrating Rank's existing online business onto Stride's proprietary technology platform and operating ecosystem, Rank expects to benefit from increased control and performance, as well as significant identified cost savings. Having a proprietary in-house technology platform will reduce the time required to take new products to market, lead to faster revenue generation and lower costs due to shorter build cycles. This

control of product development is expected to give Rank an improved competitive position in online gaming.

- (iv) **Leverage complementary strengths, capabilities and expertise** – Stride’s end-to-end data-driven CRM platform, digital marketing and customer acquisition expertise and lifetime value maximisation tools are all additive to Rank’s existing digital operations. Stride’s business will also benefit from Rank’s brands, scale, retail gaming expertise, product management expertise and compliance and governance processes.
 - (v) **Strengthen Rank’s management team** – As part of the acquisition, the senior leadership team of Stride including Eitan Boyd and Darren Sims, currently Chief Executive Officer and Chief Operating Officer of Stride respectively, have agreed to lead the digital operations of the combined business and be responsible for implementing the technology migration. Stride’s management team are highly experienced digital operators with a history of successfully developing online gaming businesses.
 - (vi) **Create significant value from strong synergies** – Based on a detailed analysis Rank believes that the combination will result in at least £13 million of pre-tax recurring annual cost savings by the third year following completion. These annual cost savings will primarily arise from reduced technology costs, workforce optimisation, lower marketing spend, reduced corporate overhead and rationalisation of office space. In addition to the quantified cost synergies, Rank also believes that the combination should generate revenue synergies through cross-selling, implementation of agile systems and marketing techniques, acceleration of its international expansion through Stride’s scalable and agile platform and the use of Stride’s brands and proprietary content to maximise the lifetime value of customers.
 - (vii) **Be materially earnings accretive for Rank once synergies released** – The acquisition of Stride is expected to be accretive to Rank’s earnings per share in the first year following completion.
 - (viii) **Continued financial flexibility** – Rank expects the Enlarged Entity to have pro forma net debt to pro forma adjusted EBITDA of 1.0x. Rank expects the Enlarged Entity to have sufficient financing resources to sustain Rank’s existing dividend and to pursue selective M&A supported by a rapid deleveraging profile.
- The Offer will be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, which it is expected will be despatched to Stride Shareholders as soon as is reasonably practicable and, in any event, within 28 days of this announcement.
 - It is intended that the Offer will be implemented by means of a court-sanctioned scheme of arrangement under Article 125 of the Companies Law, further details of which are contained in the full text of this announcement. Rank BidCo reserves the right to elect to implement the Offer by way of a Takeover Offer, subject to the Panel’s consent. The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the General Meeting and the expected timetable of the Scheme, and will specify the actions to be taken by Stride Shareholders.
 - Subject to the satisfaction or (where applicable) waiver of the Conditions, the Offer is expected to become effective during the third quarter of 2019.
 - Commenting on the Offer, Nigel Payne, Chairman of Stride, said:

“Despite Stride’s strong market position, ownership of its own leading technology and excellent long term growth potential, the Board recognises the scale of the mounting regulatory and

fiscal pressures which the UK gaming sector is facing. It is also concerned that investor sentiment to Stride is likely to continue to be negatively impacted by these external pressures for some time.

Following the announcement of Stride's strategic review in February 2019, Stride had approaches from a number of parties, in addition to Rank. After extensive discussions, the Board concluded that a combination with Rank has significant strategic logic and its offer of 151p per share represents fair value for Stride shareholders in the current environment. Accordingly the Board of Stride is unanimously recommending Stride Shareholders to vote in favour of the Offer."

- Commenting on the Offer, John O'Reilly, Chief Executive Officer of Rank, said:

"We are pleased to make this offer for Stride, which is a very complementary business to Rank. We have long been impressed with the quality of the Stride management, technology and operations, which, we believe, offer significant opportunities to create value when combined with the Rank brands, customer-base and infrastructure. The joining of our businesses will accelerate delivery of Rank's Transformation Plan and create one of the UK's leading online gaming businesses."

This summary should be read in conjunction with, and this is subject to, the full text of this announcement.

The Offer will be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document. Appendix II to this announcement contains further details of the sources of information and bases of calculations set out in this announcement, Appendix III contains a summary of the irrevocable undertakings received by Rank BidCo and Stride (including those irrevocable undertakings given by the Stride Directors) and Appendix IV contains definitions of certain expressions used in this summary and in this announcement.

for

STRIDE GAMING PLC (“STRIDE”)

by

THE RANK GROUP PLC (“RANK”)

**to be effected by means of a court-sanction scheme of arrangement
under Article 125 of the Companies (Jersey) Law 1991**

1. INTRODUCTION

The Rank Directors and the Stride Directors are pleased to announce that they have reached agreement on the terms of a recommended cash offer pursuant to which Rank BidCo, a wholly-owned subsidiary of Rank, will acquire the entire issued and to be issued ordinary share capital of Stride. It is intended that the Offer be effected by means of a court-sanctioned scheme of arrangement under Article 125 of the Companies Law.

2. THE OFFER

Under the terms of the Offer, which will be subject to the Conditions and further terms set out in Appendix I to this announcement and to be set out in the Scheme Document, Stride Shareholders will be entitled to receive:

151 pence in cash for each Stride Share

The Offer values the entire fully diluted share capital of Stride at approximately £115.3 million and represents a premium of approximately:

- (i) 29 per cent. to the Closing Price per Stride Share of 118 pence on 30 May 2019 (being the last Business Day prior to the date of this announcement);
- (ii) 46 per cent. to the Closing Price per Stride Share of 104 pence on 8 February 2019 (being the last Business Day prior to the commencement of the Offer Period); and
- (iii) 48 per cent. to the six month average price per Stride Share of 102 pence (being the average Closing Price for the six month period ended on 8 February 2019 being the last Business Day prior to the commencement of the Offer Period).

Based on Stride’s net cash of £21.8 million, the Offer represents an enterprise value of £93.4m.

It is expected that the Scheme Document will be published as soon as is reasonably practicable and in any event within 28 days of this announcement, that the Court Meeting and the General Meeting will be held in late July 2019 and that the Scheme will become effective during the third quarter of 2019.

If any dividend, other distribution or return of capital is proposed, declared, made, paid or becomes payable in respect of the Stride Shares on or after the date of this announcement and

before the Effective Date, Rank BidCo reserves the right to reduce the Offer Price by the amount of all or part of any such dividend, other distribution or return of capital.

3. BACKGROUND TO AND REASONS FOR THE OFFER

The Rank Directors believe that the acquisition of Stride will accelerate the transformation of Rank and create one of the UK's leading online gaming businesses. In particular the combination will:

Create a business with genuine scale and capability in the digital market

The combined business will have pro forma digital net gaming revenues of approximately £185 million, supported by a strong proprietary technology platform. Stride will provide Rank with an engine for digital growth, enabling Rank to move to a more agile, customer centric, digital culture. The combined business will be the number two player in UK online bingo with a market share of approximately 18 per cent. and the number six player in UK online gaming with a market share of approximately 4 per cent. It will also be well positioned for international growth, leveraging Rank's international presence.

Create a leading multi-channel operator in the UK

Stride is an established scale player operating in a highly regulated market with a portfolio of leading online bingo and casino brands that are highly complementary to Rank's leading multi-channel bingo and casino offerings. The combination is expected to enable Rank to provide the combined customer base with a seamless and instant journey across digital and retail gaming.

Improve Rank's performance and reduce costs through migration to Stride's proprietary technology platform and in-house ecosystem

By migrating Rank's existing online business onto Stride's proprietary technology platform and operating ecosystem, Rank expects to benefit from increased control and performance, as well as significant identified cost savings. Having a proprietary in-house technology platform will reduce the time required to take new products to market, lead to faster revenue generation and lower costs due to shorter build cycles. This control of product development is expected to give Rank an improved competitive advantage in online gaming.

Leverage complementary strengths, capabilities and expertise

Stride's end-to-end data-driven CRM platform, digital marketing and customer acquisition expertise and lifetime value maximisation tools are all additive to Rank's existing digital operations. Stride's business will also benefit from Rank's brands, scale, retail gaming expertise, product management expertise and compliance and governance processes.

Strengthen Rank's management team

As part of the acquisition, the senior leadership team of Stride including Eitan Boyd and Darren Sims, currently Chief Executive Officer and Chief Operating Officer of Stride respectively, have agreed to lead the digital operations of the combined business and be responsible for implementing the technology migration. Stride's management team are highly experienced digital operators with a history of successfully developing online gaming businesses.

Create significant value from strong synergies

Based on a detailed analysis Rank believes that the combination will result in at least £13 million of pre-tax recurring annual cost savings by the third year following completion.

These annual cost savings are expected to arise primarily from:

Technology efficiencies

Stride's portfolio of proprietary technologies and strong digital development and operational expertise will allow Rank to migrate its current UK digital operations into the Stride ecosystem, leveraging Stride's platform, CRM and gaming tool sets to drive substantial cost savings against Rank's current arrangements with third party suppliers.

Workforce optimisation

Rank currently operates its UK digital businesses out of offices in Gibraltar, Maidenhead and Sheffield. Stride currently operates out of offices in London, the Channel Islands, Mauritius, South Africa and Israel. Rank expects to optimise and reduce the current footprint of the combined business and remove duplicate headcount.

Marketing and other efficiencies

Rank expects to benefit in the near term from the ability to leverage Stride's digital marketing expertise, including its automated bonusing functionality, to better target promotions to the Rank and Stride customer base, driving an increased return on investment in terms of customer value as well as increased customer loyalty.

Corporate and administrative efficiencies

Upon completion of the Acquisition, Rank will maintain its existing corporate headquarters in Maidenhead, which will absorb the management and administrative functions of Stride. This will lead to a reduction in the Stride corporate headcount, alongside a reduction in stand-alone corporate costs (audit, public and investor relations, non-executive board etc.) currently incurred by Stride as a result of the admission of its shares to trading on AIM.

The Rank Group estimates one-off costs to deliver these annual cost synergies equal to approximately 1.0x the expected pre-tax cost savings. These one-off costs include retention, relocation, redundancy costs, incentivisation of the combined management team to lead the combined digital business and the costs to scale the combined digital business IT architecture and infrastructure.

In addition to the quantified cost synergies, Rank also believes that the combination will generate revenue synergies through the actions outlined below:

- cross-selling leading products between customer bases;
- implementing Stride's customer relationship management and back office systems to drive incremental revenues;
- applying sophisticated marketing techniques to an expanded customer base across a broader multi-channel offering;
- leveraging Stride's development team and platform alongside that operated by Rank's Bingosoft operations in Spain to enter new regulated territories more rapidly than contemplated in Rank's stand-alone plans, including the use of Stride's existing licences; and
- leveraging Stride's brands and proprietary content across the Rank customer base to extend the lifetime value of customers.

Be materially earnings accretive for Rank once synergies released

The acquisition of Stride is expected to be accretive to Rank's earnings per share in the first year following completion.

Continued financial flexibility – Rank expects the Enlarged Entity to have pro forma net debt to pro forma adjusted EBITDA of 1.0x. Rank expects the Enlarged Entity to have sufficient financing resources to sustain Rank’s existing dividend and to pursue selective M&A supported by a rapid deleveraging profile.

4. RECOMMENDATION

The Stride Directors, who have been so advised by Investec, consider the terms of the Offer to be fair and reasonable. Investec is providing independent financial advice to the Stride Directors for the purposes of Rule 3 of the City Code. In providing advice to the Stride Directors, Investec has taken into account the commercial assessments of the Stride Directors. Accordingly, the Stride Directors intend unanimously to recommend that Stride Shareholders vote in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting as the Stride Directors have irrevocably undertaken to do in respect of their own beneficial holdings of 120,435 Stride Shares representing, in aggregate, approximately 0.2 per cent. of the ordinary share capital of Stride in issue on 30 May 2019 (being the latest practicable date prior to this announcement) and as have the trustees of two trusts, the beneficiaries of whom are Stride Directors and their family members, in respect of a total of 3,772,135 Stride Shares, representing approximately 5.0 per cent. of the ordinary share capital of Stride in issue on 30 May 2019 (being the latest practicable date prior to this announcement).

5. BACKGROUND TO AND REASONS FOR THE RECOMMENDATION

Since its IPO in 2015, the Stride Group has demonstrated strong operational progress. Over the same period and in common with all UK operators, regulatory and fiscal pressures have mounted very materially with a consequent adverse impact on investor sentiment to the sector and to Stride in particular. Despite Stride’s strong market position, ownership of its own leading technology and long term growth potential, the Stride Directors are concerned that investor sentiment to Stride is likely to continue to be negatively impacted by these external pressures for some time.

Against this backdrop, the Stride Directors announced in February that it would review its strategy to maximise value for Stride Shareholders, including, but not limited to, whether Stride should be a participant in industry consolidation. Following this announcement, Stride had approaches from a number of parties, in addition to Rank.

After extensive discussions, the Stride Directors have concluded that a combination with Rank has significant strategic logic and its offer of 151p per Stride Share represents fair value for Stride shareholders in the current environment. Accordingly the Stride Directors are unanimously recommending Stride Shareholders to vote in favour of the Offer.

6. IRREVOCABLE UNDERTAKINGS

Rank BidCo and Stride have received irrevocable undertakings from each of the Stride Directors who hold shares, from the trustees of two trusts, the beneficiaries of whom are Stride Directors and their family members and from certain other Stride Shareholders to vote in favour of the Scheme at the Court Meeting and the Special Resolution to be proposed at the General Meeting, in respect of a total of 46,114,665 Stride Shares, representing approximately 61 per cent. of the ordinary share capital of Stride in issue on 30 May 2019 (being the latest practicable date prior to this announcement).

Each of these irrevocable undertakings remains binding in the event of a higher, or any other, offer for Stride. Further details of these irrevocable undertakings are set out in Appendix III to this announcement.

7. INFORMATION ON RANK AND STRIDE

Rank

Rank is a leading European gaming business, based in the UK. Its shares are admitted to the premium listing segment of the Official List and to trading on the Main Market of the London Stock Exchange (RNK.L). Its principal activities are the operation of bingo clubs and casinos with complementary interactive gaming and bookmaking services.

Rank's operations comprise:

- Grosvenor Casinos – 55 casinos in Great Britain; 1 casino in Belgium
- Mecca Bingo – 85 bingo clubs in Great Britain
- Enracha – 9 bingo clubs in Spain
- branded UK websites including meccabingo.com and grosvenorcasinos.com
- branded Spanish websites including YoBingo.es and Enracha.es

Rank's businesses receive approximately 15 million customer visits per year and the Rank Group employs around 7,700 team members.

For the year ended 30 June 2018, Rank generated gross gaming revenues of £741 million and adjusted EBITDA of approximately £120 million.

Stride

Stride, whose shares are admitted to trading on AIM, is a leading online gaming operator. Stride operates a multi-branded strategy, using a combination of its proprietary and licensed software to provide an online gaming offering. Stride's real money offering is presently focused on the UK market, where it is licensed and only operates from the regulated jurisdictions of the UK and Alderney. With a diverse portfolio of more than 150 brands, Stride is the third largest online bingo operator in the UK and has over 11 per cent. share of the UK online bingo landscape.

Stride provides B2B services licensing its proprietary platform; the first B2B partnership with Aspers launching successfully in Q4 2017.

For the twelve months to 28 February 2019, Stride generated net gaming revenues of £78.2 million and adjusted EBITDA of approximately £14.3 million. Over the same period, Stride generated 68 per cent. of net gaming revenues from its proprietary business and 32 per cent. from its non-proprietary business. As of 28 February 2019, Stride had gross assets on its balance sheet of £70.5m.

8. MANAGEMENT, EMPLOYEES AND LOCATIONS

The Rank Directors believe that Rank and Stride have highly complementary businesses with Stride's strengths in digital gaming complementing Rank's well-established retail gaming operations and brands. The Rank Directors value Stride's entrepreneurial culture, its strong technological development capability and digital marketing expertise, its low-cost, lean operating model, and its dynamic and innovative management team.

Management

Following completion, Eitan Boyd and Darren Sims, currently the Chief Executive Officer and Chief Operating Officer of Stride respectively will assume the roles of Managing Director Digital and Operations Director Digital for the Rank Group with day-to-day responsibility for Rank's UK digital strategy. As such they will lead the UK digital operations of the combined business and be responsible for implementing the technology migration of Rank's existing digital operations onto the Stride technology platform.

The broader management team for the combined digital business is expected to be drawn from both Rank and Stride and will be identified in due course. Detailed discussions with the senior management of both Rank and Stride will be held as soon as practicable.

Each of the non-executive directors of Stride has agreed to resign from the board of Stride conditional upon, and with effect from, the Effective Date (or, in the event that the Offer is implemented by way of a Takeover Offer, upon the Takeover Offer becoming or being declared wholly unconditional).

Employees

Following completion of the Offer, the executive management will aim to retain the best talent of Rank and Stride. The Rank Directors recognise that, in order to achieve the expected benefits of the combination, some operational and administrative restructuring may be required and there will be some changes in the day-to-day operations of the combined digital business.

The integration planning carried out to date has confirmed the potential to reduce the duplication of roles, in particular as a result of the overlap in central and support functions between Rank and Stride, and the migration of Rank's existing digital operations onto the Stride platform. This is expected to lead to a decrease in the total headcount of the combined business. It is currently expected that the total headcount of the combined business, being approximately 8,000, will reduce by approximately 1.5 per cent., some of which would take place via natural attrition.

The detailed steps for the restructuring of the combined business are however subject to further review and will be subject to any required consultation with employees and/or their representatives. It is expected that, where possible, Rank will seek to reallocate staff from discontinued roles arising from the restructuring to other appropriate new roles that may be created from organic growth in the combined business.

Existing rights and pensions

Rank intends to safeguard the existing contractual and statutory employment rights of the management and employees of Stride in accordance with applicable law and does not envisage making any material changes to the conditions of employment of the Stride employees (other than as set out in section 9 below).

Rank does not envisage any material changes to current levels of contribution to Stride's defined contribution pension scheme arrangements (unless required to do so in order to comply with applicable laws).

Headquarters, other locations and research and development

Upon completion of the acquisition, Rank will maintain its existing corporate headquarters in Maidenhead, which will absorb the management and administrative functions of Stride.

Rank expects that the key locations of the combined digital business will be London and Mauritius, with a significant presence maintained in the Channel Islands and Gibraltar, albeit at reduced levels from those currently. A presence in Sheffield is also likely to be maintained at a reduced level.

Rank does not envisage any change to the combined business's other locations or the research and development functions of Stride as a result of the Offer or any need to redeploy any of Stride's fixed assets.

Although Rank intends that the existing digital operations of Rank will be migrated onto the Stride technology platform, they will continue to operate on the Bede platform during the migration phase.

9. ARRANGEMENTS BETWEEN RANK AND STRIDE MANAGEMENT

Retention scheme for senior employees (the "Retention Scheme")

Rank currently envisages putting in place retention arrangements for certain senior employees of both Stride and Rank who are regarded as key to the on-going success of the combined UK digital business. The Retention Scheme will be designed to ensure there is sufficient capability within the combined business team over the 24 months following completion of the Offer to deliver a successful integration. Initially the Retention Scheme is expected to cover approximately 30 individuals but this number may change as integration planning continues.

Under the Retention Scheme, the relevant senior employees will be entitled to a cash payment of up to 50 per cent. of their current basic annual salary subject to their continued employment with the combined business for up to 24 months after the Effective Date (with reduced payments being made for early departure). Any individual who exits the business ahead of their agreed retention date will not receive any retention bonus and in no circumstances will any individual receive more than 50 per cent. of their current annual basic salary under these arrangements. The Retention Scheme will cover both Stride and Rank individuals on the same basis.

The maximum amount payable under the Retention Scheme is expected to be £1.6 million although this could increase if more individuals are added in due course.

Incentive scheme for the senior executive team (the "Incentive Scheme")

Rank is discussing a long term Incentive Scheme for the senior executive team of the combined UK digital business. This is expected to comprise Eitan Boyd and Darren Sims together with a small number of other senior executives from Rank and Stride and potentially new external hires.

These individuals will lead the UK digital operations of the combined business and will be directly responsible for delivering the combined digital business plan and target synergies. The incentive arrangements will be designed to encourage them to deliver on these objectives.

The terms of the Incentive Scheme have not been finalised but it is envisaged that participants in the scheme will share in a bonus pool based on the performance of the combined UK digital business in the three financial years up to June 2022 (the "Plan Period").

Under the Incentive Scheme, a target for the aggregate operating profit of the combined UK digital business will be set for the whole of the Plan Period (the "Target Operating Profit").

In the event that the actual operating profit of the combined UK digital business in the Plan Period (the “Actual Operating Profit”) exceeds the Target Operating Profit, a bonus pool will be established comprising:

- 20 per cent. of the amount by which the Actual Operating Profit exceeds the Target Operating Profit up to 111 per cent. of the Target Operating Profit; and
- 35 per cent. of amount by which the Actual Operating Profit exceeds 111 per cent. of the Target Operating Profit.

If the Actual Operating Profit is below the Target Operating Profit, then no bonus pool will be established.

The bonus pool will not be distributed until the end of the Plan Period and any payment from the pool will be completed in line with all other bonus payments of Rank and so will be made in December 2022.

The distribution of the bonus pool in December 2022 will be based on a percentage allocation to individual participants that will be agreed by the Remuneration Committee of Rank in advance.

The total maximum amount of the bonus pool will be subject to an appropriate cap to be agreed.

Participants in the Incentive Scheme will not participate in the Retention Scheme set out above, but an amount of 100 per cent. of current basic annual salary will (subject to continued employment) be paid to Eitan Boyd and Darren Sims as a retention bonus, at the end of the three year period, which will be off-set against any bonus that is payable under the Incentive Scheme.

Service contracts

There is no proposal to align the reward packages of Stride and Rank. Individuals within each organisation will remain on the same terms and conditions as they are currently including bonus schemes (with the exception of those specifics noted below).

With regards to Eitan Boyd and Darren Sims (current CEO and COO of Stride, respectively), it has been proposed (and accepted in principle) that their service contracts would be amended in line with Rank’s service contracts for its top executives.

Independent Advice

Investec, which is providing advice to Stride under Rule 3 of the City Code, has advised Stride that it considers these arrangements to be fair and reasonable.

Further details of all the arrangements set out above will be provided in the Scheme Document.

10. STRIDE SHARE PLANS

The Offer will extend to options and awards granted under the Stride Share Plans which are vested or exercisable prior to the Scheme Record Time. Following publication of the Scheme Document, participants in the Stride Share Plans will be contacted separately regarding the effect of the Offer on their rights under the Stride Share Plans. In accordance with Rule 15 of the City Code, Rank BidCo will make appropriate proposals to those participants in due course.

11. FINANCING

The cash consideration payable to Stride Shareholders is expected to be satisfied through new debt, although Rank may elect to satisfy a portion from its existing debt facilities and/or cash resources.

Rank, Rank Group Finance and certain of its affiliates have entered into a £128,125,000 Facility Agreement with National Westminster Bank plc (as agent of the finance parties) to finance the Offer. In respect of the Facility Agreement, Rank has agreed it will not amend, waive or modify certain Conditions and certain further terms contained in Appendix I to this announcement without the consent of the Majority Lenders (as defined in the Facility Agreement).

Rank Group Finance will on-lend the cash drawn under the Facility Agreement to Rank BidCo through intercompany loan arrangements.

Evercore, financial adviser to Rank BidCo, is satisfied that sufficient cash resources are available to Rank BidCo to enable it to satisfy in full the cash consideration payable to Stride Shareholders under the terms of the Offer.

Further information on the financing of the Offer will be set out in the Scheme Document.

12. OFFER-RELATED ARRANGEMENTS

Stride and Rank entered into a confidentiality agreement on 6 April 2019 pursuant to which Rank has undertaken, amongst other things to (a) keep confidential information relating to Stride and not to disclose it to third parties (other than to specified permitted persons) unless required by law or regulation, and (b) use the confidential information for the sole purpose of considering evaluating advising on or furthering the potential Offer.

13. OPENING POSITION DISCLOSURES AND INTERESTS

Rank BidCo confirms that it is making on the date of this announcement an Opening Position Disclosure, setting out the details required to be disclosed by it under Rule 8.1(a) of the Code. The Opening Position Disclosure will not include all relevant details in respect of Rank BidCo's concert parties and Rank BidCo confirms that a further disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Code will be made as soon as possible, if required.

14. STRUCTURE OF THE OFFER

It is intended that the Offer will be effected by means of a scheme of arrangement between Stride and Stride Shareholders under Article 125 of the Companies Law, and is subject to the approval of the Jersey Court. The procedure involves, among other things, an application by Stride to the Jersey Court to sanction the Scheme which will involve the transfer of the Scheme Shares to Rank BidCo, in consideration for which Scheme Shareholders will receive cash on the basis described in paragraph 2 of this announcement. The purpose of the Scheme is to provide for Rank BidCo, a wholly-owned subsidiary undertaking of Rank, to become the owner of the entire issued and to be issued ordinary share capital of Stride.

Upon the Scheme becoming Effective: (i) it will be binding on all Stride Shareholders, irrespective of whether or not they attended or voted at the Court Meeting and the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Stride Shares will cease to be of value and should be destroyed and entitlements to Stride Shares held within the CREST system will be cancelled. The

consideration payable under the Scheme will be despatched to Scheme Shareholders by Rank BidCo no later than 14 days after the Effective Date.

Any Stride Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Special Resolution to be proposed at the General Meeting will, amongst other matters, provide that the Articles be amended to incorporate provisions requiring any Stride Shares issued after the Scheme Record Time (other than to Rank BidCo or its nominee(s)) to automatically be transferred to Rank BidCo on the same terms as the Offer (other than terms as to timings and formalities). The provisions of the Articles (as amended) will avoid any person (other than Rank BidCo or its nominee(s)) holding ordinary shares in the capital of Stride after the Effective Date.

The Offer is subject to a number of Conditions and certain further terms set out in Appendix I and to the full terms and conditions to be set out in the Scheme Document, including, amongst other things:

- (a) the Scheme becoming Effective by the Long Stop Date, failing which the Scheme will lapse;
- (b) approval of the Scheme at the Court Meeting (or any adjournment of it) by a majority in number of the Scheme Shareholders present and voting, either in person or by proxy, representing not less than 75 per cent. of the voting rights of those Scheme Shareholders (and at any separate class meeting which may be required by the Jersey Court or at any adjournment of any such meeting) on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date as may be agreed in writing between Stride and Rank BidCo and the Jersey Court may allow);
- (c) the passing of the resolutions relating to the Scheme by the requisite majority at the General Meeting (or any adjournment of it) to be held on or before the 22nd day after the expected date of the General Meeting to be set out in the Scheme Document in due course (or such later date as may be agreed in writing between Stride and Rank BidCo and the Jersey Court may allow);
- (d) the sanction of the Scheme by the Jersey Court on or before the 22nd day after the expected date of the Court Hearing to be set out in the Scheme Document in due course (or such later date as may be agreed in writing between Stride and Rank BidCo and the Jersey Court may allow);
- (e) either:
 - (i) as at the date on which all other Conditions are satisfied or waived, the CMA having neither requested submission of a Merger Notice nor opened a CMA Merger Investigation in connection with the Offer or any matters arising therefrom; or
 - (ii) confirmation having been received in writing from the CMA, in terms reasonably satisfactory to Rank BidCo, that the CMA does not intend to make a Phase 2 CMA Reference in connection with the Offer or any matters arising therefrom; or
 - (iii) the period within which the CMA is required to decide whether the duty to make a Phase 2 CMA Reference applies has expired without such a decision having been made;

- (f) neither the UKGC, in respect of the operating licences (as such term is defined in the Gambling Act) held by members of the Stride Group, nor the AGCC in respect of the Category 1 and Category 2 eGambling Licences (as such term is defined in the Alderney eGambling Regulations, 2009) held by members of the Stride Group either taking any formal action or undertaking any statutory process to revoke any such licence or initiating or announcing the commencement of any formal action or statutory process which might reasonably be expected to lead to any such revocation;
- (g) the making of a determination by the UKGC pursuant to section 102(4)(a) of the Gambling Act that all operating licences (as such term is defined in the Gambling Act) held by members of Stride Group shall continue to have effect following the acquisition by Rank BidCo of control of Stride, such determination to be made following an application in respect of the same submitted by Stride to the UKGC pursuant to section 102(2)(b) of the Gambling Act; and
- (h) the making of an in principle determination by the AGCC, on terms reasonably satisfactory to Rank BidCo, that all of the Category 1 and Category 2 eGambling Licences (as such term is defined in the Alderney eGambling Regulations, 2009) held by members of the Stride Group shall continue to have effect following the acquisition by Rank BidCo of control of Stride.

The Scheme will lapse if the Scheme or the Offer or any matter arising from or relating to the Offer becomes subject to a Phase 2 CMA Reference before the date of the Court Meeting.

It is expected that the Scheme Document, containing further information about the Offer and notices of the Court Meeting and General Meeting, together with Forms of Proxy, will be posted to Stride Shareholders as soon as reasonably practicable and in any event within 28 days of the date of this announcement. Subject to the satisfaction or waiver of all relevant conditions, including the Conditions, and certain further terms set out in Appendix I and to be set out in the Scheme Document, and subject to the approval and availability of the Jersey Court (which is subject to change), it is expected that the Scheme will become Effective during the third quarter of 2019.

The Scheme will be governed by Jersey law and will be subject to the jurisdiction of the Jersey Court.

15. SCHEME TIMETABLE/FURTHER INFORMATION

A full anticipated timetable will be set out in the Scheme Document. Subject to certain restrictions relating to persons resident in Restricted Jurisdictions, the Scheme Document will also be made available on Rank's and Stride's websites at www.rank.com and www.stridegaming.com, respectively.

16. RIGHT TO SWITCH TO A TAKEOVER OFFER

Rank BidCo reserves the right, with the consent of the Panel, to elect to implement the acquisition of the Stride Shares by way of a Takeover Offer as an alternative to the Scheme. In such event, the Offer will be implemented on substantially the same terms as those which would apply to the Scheme (subject to appropriate amendments, including an acceptance condition set at 90 per cent. of the shares to which such offer relates or such lesser percentage, being more than 50 per cent., as Rank BidCo may decide). However, if Rank BidCo were to elect to implement the Offer by way of a Takeover Offer, such Takeover Offer will be made in compliance with all applicable laws and regulations.

If the Offer is effected by way of a Takeover Offer and such Takeover Offer becomes or is declared unconditional in all respects and sufficient acceptances are received in respect of such offer, Rank intends to: (i) make an application to the London Stock Exchange to cancel trading of Stride Shares on AIM; and (ii) exercise its rights (to the extent such rights are available) to apply the provisions of Articles 117 to 121 of the Companies Law to acquire compulsorily the remaining Stride Shares in respect of which such Takeover Offer has not been accepted.

17. CANCELLATION OF ADMISSION TO TRADING ON AIM AND RE-REGISTRATION

Prior to the Scheme becoming effective, Stride will make an application to the London Stock Exchange to cancel the trading of the Stride Shares on AIM to take effect from or shortly after the Effective Date. The last day of dealings in Stride Shares on AIM is expected to be the Business Day immediately prior to the Court Hearing and no transfers will be registered after 6.00p.m. on that date.

On the Effective Date, Stride will become a wholly-owned subsidiary of Rank BidCo and share certificates in respect of Stride Shares will cease to be valid and should be destroyed. In addition, entitlements to Stride Shares held within the CREST system will be cancelled on the Effective Date.

It is also proposed that, following the Effective Date and after the cancellation of the admission to trading of its shares to trading on AIM, Stride will be re-registered as a private limited company.

18. OVERSEAS SHAREHOLDERS

The availability of the Offer and the distribution of this announcement to persons resident in, or citizens of, or otherwise subject to, jurisdictions outside the United Kingdom or Jersey may be affected by the laws of the relevant jurisdictions. Such persons should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdiction. Stride Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

Disclosure requirements of the City Code

Under Rule 8.3(a) of the Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the 10th business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Part 2: Waiver of Conditions and further terms of the Offer and the Scheme

1. Subject to the requirements of the Panel or if required by the Jersey Court, Rank BidCo reserves the right to waive all or any of the Conditions in Part 1 of Appendix I (save for the Conditions contained in paragraphs 2(a) and 2(c) of Appendix I which cannot be waived), in whole or in part. The Scheme will not become effective unless the Conditions have been fulfilled or (if capable of waiver) waived or where appropriate, have been determined by Rank to be or remain satisfied, by no later than the time which is immediately before the commencement of the Court Hearing (or such later time and date as Rank and Stride may in writing agree and the Jersey Court may allow), failing which the Scheme will lapse.
2. Rank shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled any of the Conditions by a date earlier than the latest date for the fulfilment or waiver of that Condition notwithstanding that the other Conditions to the Offer may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any such Conditions may not be capable of fulfilment.
3. Any exercise of rights referred to in this paragraph shall be the subject of announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Offer.
4. Rank reserves the right to elect to implement the Offer by way of a Takeover Offer (subject to the Panel's consent). In such event, such Takeover Offer will be implemented on the same terms and Conditions (subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent. (or such lower percentage (being more than 50 per cent.) as Rank may decide (subject to the rules of the City Code and with the Panel's consent)) of the shares to which such Takeover Offer relates), so far as applicable, as those which would apply to the Scheme (the "**General Offer Acceptance Condition**").
5. If the Panel requires Rank to make an offer or offers for any Stride Shares under the provisions of Rule 9 of the City Code, Rank may make such alterations to the Conditions as are necessary to comply with the provisions of that Rule.
6. The Offer will lapse and the Scheme will not proceed (unless the Panel otherwise consents) if the CMA makes a Phase 2 CMA Reference before the date of the Court Meeting and the General Meeting. In such event, Rank will not be bound by the terms of the Scheme.
7. Stride Shares will be acquired pursuant to the Offer fully paid and free from all liens, charges, equitable interests, encumbrances, options, rights of pre-emption and any other rights and interests of any nature whatsoever and together with all rights now and hereafter attaching thereto, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the date of this announcement.
8. Under Rule 13.5 of the City Code, Rank may only invoke a condition to the Offer so as to cause the Offer not to proceed, to lapse or to be withdrawn where the circumstances which give rise to

the right to invoke the condition are of material significance to Rank in the context of the Offer. The conditions contained in paragraphs 2 and 3(a) of Part 1 of this Appendix I and, if applicable, the acceptance condition if the Offer is implemented by way of a Takeover Offer, are not subject to this provision of the City Code.

9. The Scheme is and will be governed by Jersey law and will be subject to the exclusive jurisdiction of the Jersey Court. The Offer will comply with, and be subject to, the applicable rules and regulations of the FCA, the London Stock Exchange, the AIM Rules, the Panel, the City Code and the Registrar of Companies.
10. The availability of the Offer to persons not resident in the United Kingdom or Jersey may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom or Jersey should inform themselves about and observe any applicable requirements. Further Details in relation to Overseas Shareholders will be contained in the Scheme Document.
11. The Offer is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any jurisdiction where to do so would violate the laws of that jurisdiction.
12. If any dividend or other distribution or return of capital is proposed, declared, made, paid or becomes payable by Stride in respect of a Stride Share on or after the date of this announcement and prior to the Offer becoming effective, Rank reserves the right to reduce the value of the consideration payable for each Stride Share under the Offer by up to the amount per Stride Share of such dividend, distribution or return of capital except where the Stride Share is or will be acquired pursuant to the Offer on a basis which entitles Rank to receive the dividend and/or distribution and/or return of capital and to retain it.
13. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
